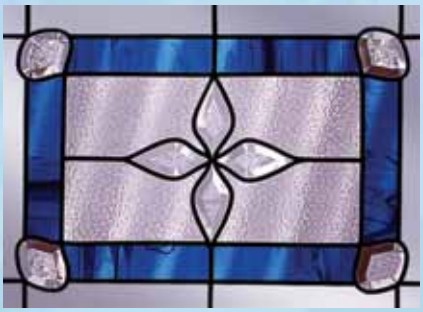
THE Decorative Design BROCHURE

Decra Led®

£9.50



Flair and style for doors, windows and conservatories

Our previous brochures introduced you to the wonderful world of Decra Lead, Decra Film and Decra Bevels to allow you to create more exciting timeless designs for your home.

The response to our Decorative Designs has been remarkable, so we are responding by combining our current designs into one new format, showing just how versatile our Decra Led, Decra Film and Decra Bevels can be in giving you even more design opportunities.

Glass panels that combine elegant bevelled glass clusters and shapes with striking Decra Glow Film colours, including our unique marbled finishes and subtle texture and frosted effects.

Decra Led®

Keeping you one step ahead

All designs and photographs in this brochure are the property of North Western Lead Company [Hyde] Limited and are protected by copyright law [Section 107 Copy, Design and Patents Act 1988]
Note: Due to the restrictions of the printing process, the exact nature of Decra Glow Film with its marbled effects cannot be accurately reproduced in this brochure. Lighting effects used may make plain colours appear marbled.

Doors
with BEVEL DESIGNS

Bevelled glass shapes have a richness and depth to make your door entrance special, to welcome visitors into your home.

And it doesn't stop there. You can use bevelled designs on any interior door throughout your home.
